

Fantasy Beerex 2021

I would like to thank my fellow members of West Dorset CAMRA for nominating a beer or a cider that they were drinking over the Christmas period or thereabouts, as you can see just over 80 beers which is about the same amount we would have at a real Beerex so great that members engaged in my little exercise. Hopefully we will be in a position this year to run a safe Octoberfest and then look forward to Dorchester Beerex, February 2022 where we can sample beers new and old; and from near and far whilst raising money for local good cause's who no doubt will desperately need our help. Take care of yourselves, all the best Rich
